About Us.

Introduction

At JMKB Projects, we specialize in home renovations that enhance your property and lifestyle. Our expert team is dedicated to delivering your dream home with precision and care.

We pride ourselves on details. We believe that in this industry it’s the little things that matter so we work endlessly to make sure everything is perfect for our clients right from the start. So much so that our estimation process is extremely detailed in order to limit additional costs after the work has began and to give our customers an accurate schedule to plan around.

Mission & Vision.

MISSION

- To be a leading construction company in the global market.
- To become the customers' most preferred choice by attaining excellence in quality and timely completed value added projects.
- To provide the highest level of service in the construction industry while offering superior craftsmanship to every project, we handle.

VISION

- To become the leading construction firm, while delivering projects that consistently exceed international standards and provide exceptional customer satisfaction.
- To continually deliver excellent value & innovative construction solutions to meet our clients' requirements

Our Philosophy.

We make sure that you are involved throughout the job which makes it highly personable. Since we handle the whole job you won't have to chase many different trades to get jobs done and workflow is streamlined efficiently.

Our Services

BATHROOM RENOVATIONS

We restore your bathroom's structure, waterproofing and finish so it's protected for years to come.

FLOOR AND WALL TILING

Whether it's for your home, office, kitchen, or bathroom, our skilled tilers deliver precise installation and a flawless finish every time.

INTERIOR DESIGNING

Transform your kitchen and bedroom into a modern, functional, and beautiful space with our expert renovation services.

PAINTING SERVICES

We specialize in painting projects from painting inside to outside or perimeter walls and roofs.

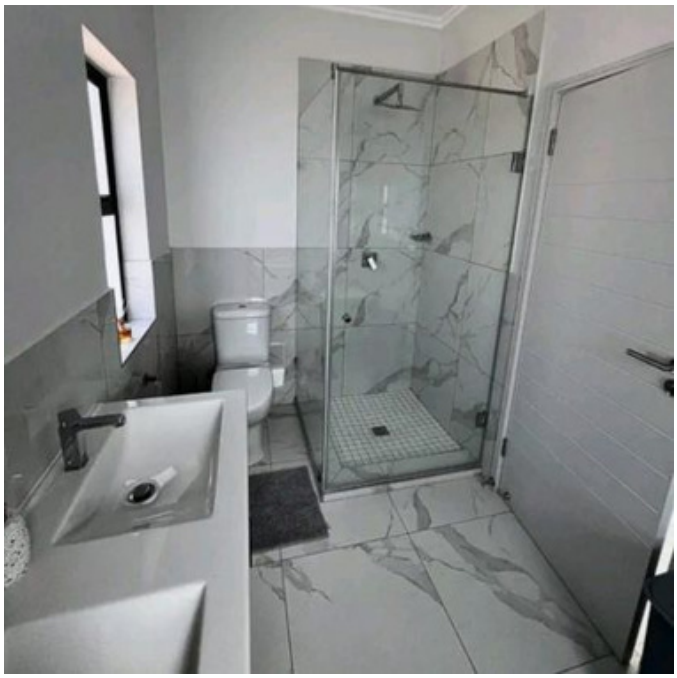

SOLAR SYSTEMS INSTALLATIONS

If you are looking to reduce your home or business electricity bills with a solar system installation, then we can help.

PLUMBING SERVICES

Our services include, repairing blocked drains and gutters, repair and installation of new taps, toilets, hot water systems, as well as gas fitting.
